

Faux Ferrero Rocher Chocolates

These are truly delicious and take just a few minutes to make and are kinder on the figure!

Ingredients

160g hazelnuts, 4 tsp cocoa powder, 6-7 Medjool dates (or other).

Preparations

1. Place all ingredients into a food processor and mix until all are combined and form a ball.
2. Measure out to 2 tsps. of the mixture and shape into balls in your hands.

You can eat them straight away or cover and store in the fridge for several weeks if can resist.

Makes about 30 chocolates depending on how large you want them.
